

BITS PRESS RELEASE

Business IT Source[®] Ranks No 3848 on the 2020 Inc. 5000 With Three-Year Revenue of Growth of 92.78 percent.

NEW YORK, August 12, 2020 — Inc. magazine today revealed that Business IT Source is No. 3848 on its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Intuit, Zappos, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

“Our highest priority is to provide flexible, personalized services that are customized to individual company’s needs in a post Covid environment. Imaging, asset tagging, project management and on-site services are just a few services we provide while saving companies on product acquisition cost by providing the best value in the industry,” says CEO Bob Frauenheim. “Our unique ability to stock product, reserved for customers, so it’s always available to ship allows customers smooth product rollout despite product shortages and product transitions.”

Not only have the companies on the 2020 Inc. 5000 been very competitive within their markets, but the list as a whole shows staggering growth compared with prior lists as well. The 2020 Inc. 5000 achieved an incredible three-year average growth of over 500 percent, and a median rate of 165 percent. The Inc. 5000’s aggregate revenue was \$209 billion in 2019, accounting for over 1 million jobs over the past three years.
