## **Business IT Source awarded 2022 Tech Elite Solutions Provider by CRN®**

***Tech Elite 250 list recognizes IT solution providers with the most technical expertise and premier certifications***

**BUFFALO GROVE, IL, March 21, 2022** — Business IT Source© announced today that CRN®, a brand of The Channel Company, has named Business IT Source to its 2022 Tech Elite 250 list. This annual list honors an exclusive group of North American IT solution providers that have earned the highest number of advanced technical certifications from leading technology vendors.

The Channel Company's research group identifies the most customer-beneficial technical certifications in the North American IT channel to compile this list. Business IT Source was recognized for its technical certifications from the industry's leading vendors.

"With the continuous change and morphing of the information technology industry, it is imperative that we continue to invest in advanced engineering and sales training. These certifications allow us to provide the highest level of services and support for our customers," said Eric Baumbich, Vice President of Technical Services at Business IT Source. "We are honored to be selected again for the CRN Tech Elite 250 list and is an affirmation of our commitment to training and certification."

With critical shifts in the channel, today's solution providers must maintain and expand their skill sets if they want to succeed. That means staying on top of the latest technologies, finding new ways to help clients get the most out of their IT.

"The solution providers selected for our annual Tech Elite 250 list have demonstrated a commitment to excellence and gained strong industry credibility by earning some of the most difficult IT certifications available from top technology vendors," said Robert Faletra, CEO, The Channel Company. "Attainment of these exclusive certifications strengthens the channel as a whole by invigorating partnerships and enabling the delivery of exceptional customer service. We congratulate each of these organizations and look forward to their continued success." Coverage of the Tech Elite 250 will be featured in the April issue of CRN, and online at [www.crn.com](http://www.crn.com).
