

***BITS PRESS RELEASE***

## **Business IT Source awarded “Dell Partner of the Year” Award for Client Solutions.**

***Award is based on BITS’s ability to support large client enterprise rollouts.***

**BUFFALO GROVE, IL, May 3, 2022** — Business IT Source®, a leading services-led technology provider of cloud, collaboration and digital infrastructure solutions, today announced that it has been awarded a Dell 2022 Partner of the Year Award.

This award is intended for partners who continue to grow their businesses within the Dell Technologies Partner Program and for delivering transformational solutions that make possibilities limitless for their customers.

“This prestigious award recognizes BITS for accelerating sales of Client Solutions.” said the Dell Technologies partner team. “You grew double digits in CSG revenue and also in unique and CSG buyers. Your full white glove experience continues to be a great value-add for our mutual customers and the Dell teams. From your full configuration and imaging capabilities, to flexibility in asset bundling and deployment to customers offices and homes, your work with the Dell teams helps provide the best customer experience!”

“We are excited to have been awarded the Dell Partner of the Year award” said BITS CEO, Bob Frauenheim. “As a Titanium Dell EMC Partner, we have been a dedicated partner and look forward to continuing our mutual success in the future.”
